SHE COULD BE YOUR "TIMELESS" MOMENT OF 2017

03.01.2017 - ISTANBUL:

"Just after that very first moment, 'perfect' won't be enough for you anymore" she says with an enticing timbre, "Nothing in this world can make you feel like I can. However, are you ready for this? ..."

TIMELESS appeals to our emotions in its video, intimately voiced as a French lady baring her soul. The clip, which is visible at www.bilginyacht.com, perfectly displays the elegant yacht's bespoke traditional interior and nostalgic exterior details. Time drifts on in lofty comfort and the pace of life slows to a languid beat in this brief glimpse of what promises to be a fulfilling experience.

With the possibility of modifying its interior, TIMELESS (Bilgin Classic 160-I) is available for purchase at very advantageous conditions, including financing for qualified clients.

Getting your hands on such a classic 48.8 metre super yacht could be your 'TIMELESS' novelty for 2017. Or alternatively the video will supply you with a taste of the 'TIMELESS' experience.
