FOR IMMEDIATE RELEASE

50M YACHT CAMILA'S GRAND ENTRANCE IN MONACO

Istanbul, Türkiye - August 2024 - Bilgin Yachts is proud to announce the highly anticipated world debut of M/Y Camila, the latest masterpiece in its acclaimed 50-metre Bilgin 163 series, at the Monaco Yacht Show 2025. Following her successful delivery, this stunning vessel will be on display for the first time, showcasing a remarkable synergy of design, craftsmanship, and bespoke luxury.

M/Y Camila represents a culmination of a deeply collaborative process between the shipyard, an experienced owner, and world-class design partners. With a sporty and elegant exterior by Unique Yacht Design and sophisticated, owner-driven interiors by Hot Lab, Camila sets a new benchmark in her class, offering 20% more exterior space than comparable yachts.

“What sets Camila apart is her enhanced volume crafted seamlessly into a sleek, fluid form,” states Emrecaan Özgün, CEO of Unique Yacht Design. “Every area is designed to bring guests closer to the sea while maintaining the clean, athletic lines that define the Bilgin DNA.”

Inside, the Hot Lab studio has curated an atmosphere of calm sophistication, reflecting the owner's lifestyle. “Every element on board has been carefully crafted to offer both sophistication and comfort,” notes Enrico Lumini, Partner and Head of Design at Hot Lab. “The interiors are a beautiful, bespoke homage to the owner's vision, featuring a masterful blend of exquisite stones, rich textures, and custom pieces like the six-metre-high lobby chandelier.”

Powered by twin 1,450hp CAT engines, Camila combines impressive performance with true trans-oceanic capability, reaching a top speed of 16.5 knots and offering a range of approximately 5,000 nautical miles. Her carefully considered layout maximizes both indoor and outdoor living, with expansive sundecks, a spacious beach club with a sauna, and beautifully appointed guest suites.
