FOR IMMEDIATE PRESS RELEASE **“BEST DETAIL AWARD” TO ETERNAL SPARK**

Istanbul, Turkiye - June, 2025 - Bilgin team is incredibly proud to announce that the 50-meter superyacht, Eternal Spark, has won one of the most competitive Robb Report Best of the Best awards for 2025. Specifically it was named the Robb Report’s pick for the “Best Detail” in the Marine category with its stunning central staircase.

“She truly makes us proud!” exclaimed Tuğba Şengün Topgül of Bilgin Yachts. “This award from Robb Report underscores our commitment to unparalleled craftsmanship and innovative design.”

The exterior design and naval architecture by Unique Yacht Design, complemented by the interior expertise of Hot Lab, the yacht embodies a harmonious fusion of aesthetics and functionality. Emrecaan Özgün, CEO of Unique Yacht Design, highlights the innovative features of the Eternal Spark from their latest semi-custom series: “Our design focus centers on creating expansive, sheltered open decks, as demonstrated by the 499 GT platforms. These yachts, exemplified by a superbly designed charter vessel in our range, offer an outstanding layout with ample spaces to enjoy daily activities. With a sleek, sporty, and elegant exterior, Bilgin 163 series yachts boast extensive exterior areas, including a vast beach club complemented by a sauna. We aimed to create generous areas such as a 21-meter sundeck, a 12-meter bridge deck aft, and a spacious main deck aft, measuring nearly 9.5 meters wide and 4 meters long. This provides a direct connection to the beach club and close proximity to the sea, all without making the exterior design appear bulky.”

The full list of winners has been published on June 10 in Robb Report's Best of the Best issue.
