## **Bilgin Yachts' M/Y Leona Nominated for World Superyacht Awards 2023**

Bilgin Yachts is proud to announce that one of its latest projects, the 80-meter M/Y Leona 2023, has been nominated for the prestigious World Superyacht Awards 2023 in the Displacement Motor Yachts 1500gt and Above category.

M/Y Leona 2023 is designed in partnership with Unique Yacht Design and H2 Yacht Design, with a focus on combining design and comfort elements to create a unique and attractive superyacht. With a steel-aluminum structure and a dynamic hull form, the eco-friendly yacht features a special exhaust system that provides 100% clean air emissions. Equipped with two 2,560 kW engines, M/Y Leona 2023 has a top speed of 19 knots and a cruising speed of 12 knots, while keeping fuel consumption at 250 l/h.

The World Superyacht Awards, hosted by Boat International Media, celebrate the best in superyacht design, engineering, and construction. The awards ceremony will take place on 19-20 May 2023 in Istanbul, Turkiye, where winners will be announced. Bilgin Yachts is honored to have M/Y Leona 2023 nominated for this prestigious award and looks forward to the ceremony.
